Education

2021 - 2023

Bachelor of Science (Hons) in Computing

Wrexham Glyndŵr University - United Kingdom

Skills

`CSS 3` `HTML 5` `JavaScript`

`SCSS` `Sass` `CSS-in-JS`

`ReactJS` `TypeScipt` `NextJS`

`User interface` `Android UI`

`React Native` `Bootstrap`

`Material UI` `Tailwind CSS`

`CSS animations & transitions`

`Responsive web development`

`Accessibility` `jQuery` `API`

Sahan Vibhashana Bandara

Frontend Developer

Experienced frontend developer with over 9 years of industry experience delivering intuitive, user-centric designs for web and mobile applications. Proficient in HTML, CSS, JavaScript, and React, with a proven track record of delivering high-quality projects on time and within budget. Skilled in creating wireframes, mockups, and prototypes using design tools such as Figma, and Adobe XD. Seeking new challenges in a dynamic environment where I can utilize my skills and expertise to drive innovation and growth.

Experience

Oct 2023 - Oct 2024

Euka Future Learning | Remote, Australia

Software Engineer (Frontend)

- Spearheaded the development of dynamic web applications using ReactJS and TypeScript integrating Chakra UI for responsive and accessible design.
- Collaborated with the UI design team to implement and refine user interfaces based on designs from Figma and Zeplin, ensuring pixel-perfect accuracy and usability.
- Utilized Jotai for state management, optimizing application performance and data flow across components.
- Worked closely with backend developers to integrate Laravel with InertiaJS, streamlining the user experience between frontend and backend.
- Employed GitHub and Bitbucket for version control and collaboration, ensuring efficient code management and teamwork.
- Followed an Agile framework to facilitate iterative development and timely project delivery, adapting to changes and feedback throughout the process.
- Conducted knowledge-sharing sessions to enhance team skills and best practices, fostering a culture of continuous learning within the development team.
- Actively collaborated with cross-functional teams, including marketing and product management, to align project goals and deliver high-quality results.

Sep 2021 - Sep 2023

Pearson Lanka | Colombo, Sri Lanka

Software Engineer (UI/UX)

- Responsible for implementing responsive UIs with a strong focus on accessibility, for web apps as per the designs created by the design team.
- Showcased remarkable teamwork, collaborating effectively with frontend, backend developers, and stakeholders, fostering project unity.
- Leveraged HTML, CSS, JavaScript, ReactJS, SCSS, and CSS-in-JS techniques, deploying tools like Styled Components and BEM for visually compelling web apps.
- Employed Webpack, Yarn, NPM, and Create React App (CRA) for seamless workflow management.
- Championed accessibility with Figma and executed Agile methodologies on Jira, while Git and GitLab ensured version control.

Dec 2017 - Sep 2021

Eyepax IT Consulting (Pvt) Ltd | Colombo, Sri Lanka

Software Engineer (UI/UX)

- Spearheaded responsive UI design and implementation for web applications, emphasizing accessibility and adherence to coding standards.
- Responsible for enforcing and implementing UI coding guidelines to ensure adherence to best practices for UI coding.
- Skillfully collaborated with frontend, backend developers, and stakeholders, harmonizing goals.
- Proficiently employed HTML, CSS, JavaScript, ReactJS, SCSS, Sass, jQuery, PHP, and Laravel.
- Bridged design and development using Figma, Adobe XD, and Zeplin.
- Enhanced workflows with Gulp and Webpack.
- Supported by Agile principles via Jira, and version control facilitated through Git, GitHub, and BitBucket.

Nov 2016 - Nov 2017

Xcendant (Pvt) Ltd | Colombo, Sri Lanka

UI/UX Engineer

- Designed and executed responsive UIs for web and mobile platforms, maintaining strict adherence to UI coding standards.
- Demonstrated collaborative excellence among frontend, backend developers, and stakeholders, ensuring synchronized project achievements.
- Applied HTML, CSS, JavaScript, jQuery, PHP, GSAP, and Adobe XD, enhancing designs with Photoshop and Illustrator.
- Utilized version control through Git and Apache Subversion (SVN) for streamlined teamwork.

Jan 2014 - Nov 2016

iOneSoft Solutions (Pvt) Ltd | Colombo, Sri Lanka

UI/UX Engineer

- Pioneered designing and implementing responsive UIs across web, mobile, desktop, and kiosk applications.
- Enforced UI coding guidelines, promoting optimal practices.
- Exhibited outstanding collaboration with frontend, backend developers, stakeholders, globally aiding clients both on-site and remotely.
- Proficiently utilized HTML, CSS, JavaScript, AngularJS, KnockoutJS, jQuery, XAML, and tools like WordPress, Joomla, Android, and Ionic.
- Ensured version control via Git and TFS, optimizing project deliveries and team collaboration.
